Minimum Educational Qualification

A 12th grade student is eligible to enroll for the course.

Mode of examination

There are 3 exam windows in a year: Jan-Feb, May-June, Sept-Oct. The CMA exams are computer-based and administered at hundreds of Prometric Test Centers worldwide. With three testing windows each year, you can sit for an exam at a time and place convenient for you.

Schedule

Students can choose any schedule in the above said window according to the prometric center availability.

Two papers to be cleared viz. Part 1 & Part 2 (in any order) | Course Duration: 8 to 12 Months

No set off benefit

i.e. no advantage to appear for both papers in the same exam window. Hence, we recommend our students to appear for only 1 part in each exam window.

For each exam part...

Total duration = 4 hours

Total marks = 500 marks

Minimum total passing marks = 360 marks i.e. 72%

TYPES OF QUESTIONS

100 MCQS (3 hours)

- Regardless of how many questions are attempted, atleast 50 MCQ Questions have to be answered correctly (not 50% questions)

E.g. So, even if a candidate appears for 76 questions in the stipulated 3 hours, he needs to answer 50 questions out of 76 questions correctly.

- Maximum time allowed to solve MCQs is 3 hours after which the window to solve MCQs lapses and the candidate needs to compulsorily solve essay type questions in last 1 hour.

2 essay type questions (1 hour)

- Essay type questions will be checked only if the candidate has solved atleast 50 MCQs correctly.

- Attempting essay type questions is a necessity to pass the examination. A candidate cannot pass the examination by just solving MCQs even if the score exceeds the requisite 360/500 marks. Thus, omission to attempt essay type questions is a shortcut to failure.

P.S. IMA does not disclose the assessment criteria for passing the examination, except for the information provided above. Nevertheless, the global pass rates have averaged around 50%, which are quite high compared to Indian professional examination pass rates. J. K. SHAH CLASSES is proud to consistently deliver an average pass rate in excess of 80%.

J.K. Shah Classes is a platinum partner with IMA, hence students that register via J.K. Shah Classes get a bulk discount on Registration and Exam fees.
