SUMMARY

Chartered Accountant with hands-on experience in FP&A, statutory audit, and management reporting across BFSI and manufacturing sectors. Skilled in variance analysis, financial reporting under IND AS, regulatory compliance, and building decision-ready management packs for senior leadership.

EXPERIENCE

Corporate Trainee – FP&A;

Nov 2025 – Present

Mahindra Housing Finance, Mumbai

- Built and owned end-to-end Board/ACM and MD Review performance packs (8–10 KPI slides/cycle), integrating P&L, balance sheet, and operational drivers — directly used in senior leadership decision-making.
- Delivered monthly variance analysis with decision-ready narratives, translating financial movements into actionable insights for MD Review and ACM discussions.
- Reduced close-to-deck turnaround by 20–30% by standardizing data pulls, validation checks, and commentary workflows across Excel and PowerPoint.
- Strengthened management reporting controls, reducing rework cycles and ensuring audit-ready documentation for senior review.
- Established insurance income reporting framework from scratch, building trackers across 3 products to monitor penetration rates and flag income leakages — enabling data-driven decisions on a newly launched revenue vertical.
- Collaborated with cross-functional teams to validate assumptions and pre-align on key variances ahead of MD Review, accelerating sign-off timelines.

Statutory Audit & Limited Review

- Life Insurance Co.: identified and reported to the Board irregularities in non-transfer of unclaimed policy funds to SCWF.
- AIF (Cat II & III) under SEBI: verified compliance with expense ratio per PPM, NAV analysis, investment valuation & concentration risk.
- InvIT Audit: ensured IND AS compliance and accurate financial reporting for an entity with 38 SPVs and consolidated revenue of ₹1,000 Cr+.
- Led group audit of a German exhibition company; flagged inaccuracies in foreign branch reporting and foreign currency exposure disclosures to senior management.
- Led tax audit of a manufacturing concern (₹100 Cr+ turnover); scrutinized ledgers, duty drawback, RoDTEP, deferred tax, and internal controls.

Special Assignments

- Due diligence during merger — audited combined financials, flagged integration and control gaps, and presented concise findings to senior management.
- Internal audit of a leading car dealer — full audit cycles (planning, fieldwork, reporting) across branch operations and financial processes.
