ABOUT ME

Qualified Chartered Accountant and dedicated educator with expertise in Audit, Financial Management, Strategic Management, taxation, and audit practice. Passionate about simplifying complex concepts through practical and exam-oriented teaching. Committed to student success through engaging learning experiences, strong communication skills, and continuous content development for CA aspirants.

EXPERIENCE

- Audit & Tax Consultant
Nadeem abbas & Co

01-04-2024- 30-04-2026

Since qualifying as a Chartered Accountant in 2022, I have been engaged in professional practice, providing taxation, audit, and compliance services to clients across various sectors. My experience includes statutory audits, tax planning, return filing, financial reporting, and advisory assignments, enabling me to develop strong technical and analytical skills.

- Audit & FM/SM Educator
Edu India Professional Institute

01-03-2025- 31-05-2026

My teaching approach emphasizes conceptual clarity, practical application, and exam-oriented preparation. I also create revision content and educational resources to support students in achieving academic success.

- Audit & FM/SM Educator
Gaurs Institute

16-02-2023- 11-01-2026

At Gaurs The Commerce House, I have been teaching CA Intermediate students, specializing in Audit, Financial Management, and Strategic Management. My role involves delivering concept-driven lectures, developing exam-oriented study strategies, preparing revision materials, and mentoring students throughout their academic journey.

- Article Assistant
A Lath & Co

06-03-2020 - 08-10-2022

Completed a 2.5-year articleship training under the Chartered Accountancy curriculum, gaining practical exposure in Audit, Taxation, and Financial Reporting. Assisted in statutory audits, tax audits, and internal audits of clients across various industries. Conducted vouching, verification, analytical procedures, and compliance checks in accordance with auditing standards.
