All lectures will be available on the dashboard. No lectures will be repeated—students are advised to choose one option accordingly. Once selected it is advised in interest of the students not to change the faculty midway as the portion taught will not be same on daily basis nor same subjects will be kept daily and simultaneously. That means - in case online has DT and IDT, face to face may have any other pending subject also other than DT and IDT - as mentioned above. |                                                    |                                                    |            |            |                                             |                                                    |
